3rd annual Poinsettia Sale
Agroecology Program

Decorating for the holidays? Need to give a gift? Give back to FIU by purchasing a poinsettia grown by students in the Agroecology Program.

The poinsettia sale marks the culmination of a semester-long project in the Introduction to Horticulture Science course and lab, which take students through the process of planting, cultivating and selling crops. The plants are grown in FIU’s Wertheim Conservatory and tended to by FIU’s Garden Club.

Each poinsettia is $8.

To pre-order a poinsettia, contact: agroecol@fiu.edu or 305-348-0186

Dec. 1, 2017
10 a.m. to 2 p.m.
Graham Center (GC)
FIU Modesto A. Maidique Campus
